RE: FOIA REQUEST TO EPA REGION 1

Dear Sir or Madam:

This is a request under the Freedom of Information Act to review certain documents related to compliance with the Multi-Sector Industrial Permit for Stormwater by certain industrial facilities. **This request is limited to information available through EPA's NOI Processing Center.**

I am willing to pay a reasonable fee for this request. **Please bill me under the Public Interest category**, as Attorney Nora Chorover of this office represents Clean Water Action, a non-profit organization, in this matter.

I do **NOT** need information that is presently publicly available on EPA's NOI database website (<http://cfpub.epa.gov/npdes/stormwater/noi/noisearch.cfm>).

For the facility/tracking number listed below, I am requesting the following reports available through EPA's NOI Processing Center (which I understand is staffed by Avanti Corporation) that were submitted by the above facilities concerning the General Industrial Multi-Sector Permit for Industrial Stormwater Discharges:

1. Notice of Intent [NOI] to be covered by the Multi-Sector Permit; and
2. Report from the Inspection/Evaluation performed on September 25, 2015.

Facility For Which Information is Sought:

Causeway Enterprises, Inc. 77 Bridge Road Salisbury, MA 01952 Tracking Number: MAD000247

Again, I am willing to pay a reasonable fee for this request. Please bill me under the Public Interest category, as Attorney Nora Chorover represents Clean Water Action, a non-profit organization, in this matter.

Please give me a call or email me at paralegal@choroverlaw.com if you have any questions regarding this request.

Sincerely,

Shannon Temlak
